

Wedding planning tips

Now, it's time for those final little touches. We can't wait to see you and your guests on the big day!

The final bits! Six weeks out

- Confirm wedding day timeline and any small details with us, to ensure you have everything just the way you want it on the day.
- Wine tasting with us to choose your wines and drinks package for the day
- Book your transport for after the wedding.
- Write thank you notes for handing out with gifts to wedding party.
- Delegate wedding day duties - you do not want to be worrying about anything on your big day, so be sure to delegate tasks to your wedding party:
 - Who is going to look after the wedding rings?
 - Are there any final payments to suppliers on the day, i.e. musicians, florist, cake?
 - If you don't have live music, who will be in charge of the play list for:
 - before your ceremony
 - your ceremony
 - walking back up the aisle
 - reception drinks
 - wedding breakfast
 - Who will be returning the hire suits?
 - Who will arrange after-care for the wedding dress – if you are planning to clean/box?
 - Who will take your bouquet?
 - Who is picking up items left at venue the morning after? There are always a few!

And, finally, please remember to enjoy yourselves!
